Reach Riders Group (RRG) Festive Ride Advice

We had some feedback following the 2025 Festive Ride with at least one person saying that they didn't want to walk the whole route, they wanted to do some trotting. In response we've decided to divide the Ride into two groups with forwarding-going horses leaving at 11.15am and all remaining horses and lead-rein ponies leaving at 11.30am.

Please take note of the following advice:

- No enrolment is necessary and everyone is welcome.
- We will assemble on the village green, Fair Green, Reach CB25 0JD, from 11am.
- The Ride will commence at 11.15am prompt for forward-going horses and 11.30am for all remaining horses and lead-rein ponies.
- Prior to the day of the Ride, do familiarise yourself with the route (posted on RRG website and FB).
- If adverse weather is forecast a note will be sent out (via RRG FB, Reach Village FB, Reach Village email) the day before the Ride cancelling the Ride. Do make your own assessment of the weather conditions.
- Riders under the age of 16 should be accompanied by a responsible adult.
- Riders and their mounts should each be appropriately insured.
- The festive costumes are great fun but do try and incorporate some Hi Viz within your costume.
- While the Reach Riders Group (RRG) have organized the Ride, the Ride is not supervised and riders are wholly responsible for themselves and their mount. The RRG takes no responsibility for any part of the Ride and riders participate at their own risk.
- We hope very much that you enjoy the Ride. Following the Ride please forward any photos and videos to the RRG FB page, and let us have your comments, feedback and suggestions. Also consider becoming a member of the RRG. Membership is just £35 annually and includes unlimited access to our grass arena; talks and social events. Details are available from RRG website (**www.reach-village/reachridersgroup.co.uk**).
